Ladies and Gentlemen,

Please join us in welcoming former President of Bridgewater College and local Lincoln Historian Phil Stone, as our guest speaker for our WCRC Annual Lincoln Reagan Dinner. All of the Congressional candidates have been invited and some have already confirmed their attendance. This will be another great opportunity to meet with them before the 6th District Convention on May 19th in Harrisonburg. This event along with others helps us with our local campaign activities here in Warren County. We truly live in one of the greatest places on earth and with your help we will all keep it that way. Thank all of you for your continued support over the years!

Sincerely,

Stephen F. Kurtz
